

SITE MANAGER

We are looking for a qualified Site Manager with great organisation and leadership skills to lead our Team of Electricians. This is a unique opportunity to join a growing family business and be part of a successful company. Butterworth Electrical is a leading Electrical Installation company specialising in the Industrial Refrigeration & Commercial Industry.

About the role:

This is an exciting newly created role that will see the successful candidate lead a Team of Electricians & Apprentices. You will be responsible for the general day to day running of the site, ensuring we have regular communication with the Contractors. Along with other duties as the Site Manager, you will also be responsible for making sure we have the highest standard of Health & Safety on site and that all paper work is filled in correctly.

About you:

- Qualified Electrician with NZ Practising Licence
- Full clean NZ Drivers Licence
- Eligibility to work in New Zealand
- Demonstrated experience in the role (ideally 5yrs experience leading a team, with a proven track record)
- Strong commitment to Health & Safety
- Good Communication Skills & computer literate
- “Whatever it takes” attitude focussing on Quality

What Butterworth Electrical can offer:

A permanent role for the successful applicant, joining a great Company with a professional team environment, excellent working conditions, competitive rates, and packages to suit. As a Company, we are also committed to ensuring the Health & Safety of our staff and making sure all our staff return home from work safe.

We are also recruiting for an Apprentice and Registered Electricians

For further information regarding this position or any others, please contact Victoria Butterworth or send a cover letter and C.V to Victoria -
